

## ASCE/AGC Meeting Summary

### Week 5: ASCE Denver Branch

September 22<sup>nd</sup>, 2023

This meeting recap is intended to allow all ASCE/AGC members to stay up to date with the events that take place during our weekly meetings!

#### Announcements:

1. Join us next week Friday, 9/29 from 12-1 pm in Hill Hall 202 to hear from Kimley-Horn.
2. Collecting Dues First few weeks \$10 a Semester (PLEASE PAY YOUR DUES)
  - a. First Semester Members' Dues Waived
3. Follow us on Instagram: @asce.mines

#### Civil Engineering Fun Fact of the Week:

Founded in 1852, ASCE is the nation's oldest engineering society. ASCE stands at the forefront of a profession that plans, designs, constructs, and operates society's economic and social engine while protecting and restoring the natural environment.

## **Today's Presenters: ASCE Denver Branch**

This week's presentation featured Jared Coleman from the ASCE Denver Branch, who discussed being a part of ASCE after college and some tips about obtaining your PE. Below are some topics covered:

- Jared is the president of the Denver ASCE Branch.
- Tips: Take your PE exam as soon as possible
- New legislation has been passed that allows you to take your PE anytime, and then you can have a PE officially after four years of work experience.
- The PE exam is broken into two four-hour parts.
  - Part 1 is the General Knowledge exam.
  - Part 2 is an exam based on a field of your choice.

Thank you to our presenter, Jared Coleman! If you have any questions, you can contact him via email at [jcoleman@auroragov.org](mailto:jcoleman@auroragov.org)

Respectfully,

Andrew J. Hurter IV, ASCE-AGC Secretary, Fall 2023
