Today's Presenters: Wallace Design Collective

This week's presentation featured Tanner Simpson and Cody Goebel from Wallace Design Collective, who discussed what types of projects Wallace Design Collective works on. Below are some topics covered:

- Some of Wallace Design Collective's most prominent clients are Walmart and Pepsi.
- Tanner and Cody worked on the design of a new Taco Bell in Aurora.
- Another project they have worked on is the storm drain detention chambers for the Garden of the Gods subdivision in Colorado Springs.
- Wallace Design Collective is involved in:
 - Civil Engineering
 - Structural Engineering
 - Land Surveying
 - Landscape Architecture
 - Land Planning
 - Inspections
 - Multifamily
 - Commercial

Thank you to our presenters, Tanner Simpson and Cody Goebel! If you have any questions, you can contact them via email tanner.simpson@wallace.design and cody.goebel@wallace.design

Respectfully,

Andrew J. Hurter IV, ASCE-AGC Secretary, Fall 2023
