

Dear Parent/guardian,

Thank you for registering your Junior Girl Scout for **Girl Scout Engineering Day**, hosted by the Society of Women Engineers collegiate section at Colorado School of Mines! All the information you need to know for **this Saturday (November 11th)** is found below.

- Girl Scout Engineering Day will be held in the **Ben H. Parker Student Center Ballrooms**. Check-in begins at 8:30 AM in the lobby at the top of the main stairs outside the ballrooms. The event starts promptly at 9:00 AM and ends at 12:00 PM.
 - The Student Center is located at **1616 Maple St, Golden, CO 80401.**
 - A map showing the parking lots closest to Green Center for drop-off and pick-up is included below.
- Breakfast is provided.
- This event is for Girl Scouts! We strongly encourage your kids to sport their girl scout vest/sash/tunic with pride!
- Parents/guardians are asked to drop-off their Girl Scout. During check-in, you will be asked to provide a name of the individual picking up your Girl Scout. Please make sure whomever picks them up has a **photo ID**.
- We understand your plans may have changed and you're no longer able to attend. We hope to see you at a future event. Since supplies have already been purchased, this is a **non-refundable, non-transferrable** event.

If you decide to stay on or near campus during the event, enjoy what Golden has to offer while you're here!

- Visit Mines Museum of Earth Science at 1310 Maple St, Golden, CO (open from 9:00 AM - 4:00 PM). It's FREE!
- Explore historic Downtown Golden.
- Hike South Table Mountain.
- Enjoy coffee/tea from the Starbucks located in the Ben H. Parker Student Center (open from 10:30 am - 7 pm) or at many of the cafes located in downtown Golden (Higher Grounds, Windy Saddle, Red Silo, Humble House, etc.)
- Check out <https://www.visitgolden.com/things-to-do/> for more information.

We look forward to seeing everyone for a STEM-filled morning at Mines! If you have any questions, contact the event director at germany@mines.edu
