Alexandra Demopolous Assistant Director

Hey, hi, hello! My name is Alexandra and when I am not being the Advisor of MAC or helping enhance our campus traditions, you can typically find me somewhere with my dog Angus.

When possible I love traveling whether locally or abroad. I am fortunate enough to have friends spread out across the country so I get to visit them while experiencing new places at the same time.

Even with restrictions in place I have been staying busy by re-discovering old hobbies and knocking off some to-do list items.

Although I miss being on campus I am still available to connect if you have any questions! Stay safe!

Congratulations to the new MAC Council!

Any Mines student or employee who shares a selfie wearing denim on April 29th with the hashtag #MinesDenimDay will be entered in a drawing to win a prize.

Visit Colorado Denim Day for more information.
