CELEBRATION OF MINES

Join SAIL as we host our annual Celebration of Mines event Friday, August 21st from 4pm-7pm.

To help increase accessibility to this formerly in-person only event we have added a new video component! You now have the opportunity to reach more students to help spread the word about your club, organization or department by creating a brief (1-2 minutes) video explaining who you are and how to get involved! A video submission is required to participate in this event.

SAIL WEBSITE Scavenger Hunt

It's time for you to get to know our resources and website! A lot of information regarding our governing bodies, fraternity and sorority life, clubs and organizations, policy and procedure, and so much more can all be found at sail.mines.edu.

In order to help you familiarize yourself with our offerings, we want you to go on a Blaster hunt! You'll start at orgs.mines.edu/governing-bodies.

You'll then visit 9 more sites to piece together a final clue. Once you've found all the Blaster clues, send your final answer to Begoña at bruz@mines.edu to be entered to win one of several gift cards!

Good luck!
