MAC INTERN OPPORTUNITY COMING SOON!

August will be here before you know it! MAC is working hard on brainstorming new events for you all as well as enhancing our longstanding traditional events!

We wouldn’t be able to do all we do without our intern!

This unique position allows you to see all that MAC does across campus, gain skills in organization and event planning, learn from current MACrs, and gain leadership experience. Our intern is an integral member and is a part of all that we do. The intern application will be posted on Friday, August 24th on our website.

MINES 2020 MOVE-IN Volunteers Needed

Hey Orediggers! All of us over in Residence Life are so excited to have you all back on campus in a few short months, and we would love your help! Mines 2020 Move-In is a great way to get involved and help welcome back our residential students (also did someone say free t-shirt???).

This year, Move-In will take place from August 16-20th so there are plenty of opportunities to volunteer. These are our plans at the moment, but are subject to change as state and local guidelines evolve. Move-In will look a little different this year, with 6 foot physical distancing, the wearing of facial masks, and extra sanitizing but it will still be a HELLUVA time! Additionally, there will be a remote training at a later date and further information about volunteer time slots and specific roles that will be needed.

If you are an individual interested in volunteering, please click here to fill out our interest intake survey to receive more information about volunteering for Move-In as it becomes available!

If you are hoping to volunteer as a part of your student organization or athletic team, please reach out to your organization president or team captain as we will be contacting them directly. If you have any questions or concerns, feel free to email skylarsandler@mines.edu.

Have questions? Please contact our President Andrew Hellman at shellman@mymail.mines.edu.
Sorority Recruitment registration is now open and completely free.

If you have any questions please contact Viviana Verde at minessororityrecruitment@gmail.com

FRATERNITY LIFE

Fraternity Life provides a fantastic opportunity to flourish as an individual among a community that aims at developing leaders and scholars. There are seven (7) unique chapters on campus that all strive to mentor young men at Mines.

For questions about fraternity recruitment please contact Doyle Smith at doylesmith@mymail.mines.edu

Follow us on Instagram @mines.ifc

- Sydney Holdampf
- Erin Miller
- Randi Higashi
- Avinnah Shrestha
- Abigail Osburn

Winners will be contacted by email with instructions on how to claim their $10 Amazon gift card.

STUDENT ORGANIZATIONS UPDATE

FALL ORG SUMMIT

September 19th

IMPORTANT NEWS!!

The re-registration process for ALL* student organizations for Fall 2020 has changed.

All student organizations must:

- Update their information on Engage (all student organizations must have an Engage page)
- Attend the Fall Org. Summit

Once these two steps have been completed, your organization will be registered for the academic year and can opt to obtain funding from your governing body, apply for grants through SAIL, reserve spaces on campus free of charge, checkout equipment, etc.

The Summit will take place on September 19th. A detailed agenda will be made available once registration opens for the event. Check Engage and orgs.mines.edu for more info in the coming weeks.

All BSO, ISC, and BSM organizations are included in the re-registration process and must complete both items indicated.

BSO UPDATE

All indexes have been reset for the new academic year. Rollovers and allocations will be uploaded within the next two weeks. If you plan on accessing your funds before your account is updated, please contact SAIL at SAIL@mines.edu to verify your available balance.

If you plan on making a purchase request and your organization has a new treasurer, please contact Caleb Workman to arrange for treasurers’ training.

Need help with Fall planning? Reach out to your BSO rep orgs.mines.edu/BSO
